WHY RECRUIT FROM NSUT?

World Class Faculty

Our faculty members are Ph.Ds and are actively involved in research and journal publications.

Stringent student selection

Our rigorous admission process ensures that NSUT admits top-performing students, with only the top 10% scorers of IIT-JEE (Mains & Advanced) and top 15% scorers of GATE

20+ MOUs with Industries

NSUT has signed over 20 Memorandums of Understanding (MOUs) with leading industries, fostering strong academia-industry collaboration. These partnerships provide students with opportunities for internships, live projects, research, and direct industry exposure

Future Leaders

NSUT nurtures its students to become future leaders by fostering innovation, excellence, and holistic development. Their talent and determination consistently shine through as they earn prestigious awards across diverse domains.

NSUT IIF

NSUT Incubation and Innovation Foundation provides seed fund support to registered startups with incubation facilities, end-to-end mentorship, and other in-house facilities

Centre of Excellence

Centre of Excellence in Artificial Intelligence was set up in July 2022 to contribute towards the growing significance of the role of Artificial Intelligence, Data Science, and related areas.

ALUMNI NETWORK

The worth of an institute can be gauged best by the success of its alumni. On this front, our students have made us proud time and again. From top corporate executives to successful entrepreneurs, from leading researchers to renowned faculty, and leaders of Industry to leaders of the nation, our alumni have made truly remarkable achievements in a diverse range of fields.

Our vast alumni network helps us in bringing a real-life perspective to students by interacting with them regularly through meets arranged by the Alumni association and coaching and mentoring students to prepare for real world challenges in industry and beyond
